

real

A diagram illustrating a pointer relationship. At the top, a white box with a gray border contains the text "real". Below it, a purple dashed arrow points upwards towards the "real" box. To the right of the arrow, the following text is listed vertically: "vh", "uh", "diapyc_vel", "vhgm", and "uhgm". At the bottom, a gray box with a black border contains the text "mom_variables::cont" on the top line and "_diag_ptrs" on the bottom line. The arrow originates from the top of this gray box and points to the bottom of the "real" box.
